Diamondback 360™

Coronary Orbital Atherectomy System

SEVERE
CALCIUM.
ONE SOLUTION.

Diamondback 360™ Coronary Orbital Atherectomy System is the only vessel prep solution with a diamond-coated crown that orbits 360 degrees, specifically designed to target severe calcium.

Dual-action

Uniquely designed to simultaneously modify both intimal and medial calcium for optimal stent delivery, expansion, and apposition.¹⁻⁴

Versatile

Eccentrically mounted diamond-coated crown with bi-directional capabilities enables single device treatment of multiple lesions and vessel sizes.^{1,2,5}

Proven

Proven effective and safe in the treatment of severely calcified lesions, studied on over 2,200 patients across 11 robust studies.^{6,7}

**Learn more about the Diamondback 360™
Coronary Orbital Atherectomy System today**

Poštovane kolegice i kolege, dragi prijatelji,

Velika nam je čast i zadovoljstvo da vas pozovemo na deveti Simpozijum mladih interventnih kardiologa Srbije – „Meet the Future of Serbian Interventional Cardiology“, koji će se održati 12. i 13. decembra 2025. godine u Amfiteatru Instituta za kardiovaskularne bolesti Vojvodine.

Ovogodišnji Simpozijum biće fokusiran na strukturne bolesti srca i aktuelne smernice, kao i na savremene pristupe revaskularizaciji kod NSTEMI i višesudovne koronarne bolesti. Posebna pažnja biće posvećena tretmanu kompleksnih kalcifikovanih lezija i PCI tehnike sa dva stenta, strategiji sa DCB balonom, lečenju kardiogenog šoka, kao i sesiji u kojoj će mladi interventni kardiolozi predstaviti kako su rešavali svoje izazovne slučajeve. Kroz uživo prenos procedure iz kateterizacione laboratorije, diskusije sa domaćim i inostranim ekspertima i sesije posvećene kompleksnim PCI procedurama, učesnici će imati priliku da prate savremene tehnike i razmenjuju iskustva.

Pozivamo vas da se pridružite Simpozijumu i doprinesete njegovom najvišem stručnom kvalitetu, na obostrano zadovoljstvo.

Srdačno vas pozdravljamo,

Mr sci. med. Dragan Debeljački

prof. dr Milovan Petrović

Doc. dr Tatjana Miljković

Dear colleagues and friends,

It is our great honor and pleasure to invite you to the 9th Symposium of young interventional cardiologists of Serbia – „Meet the Future of Serbian Interventional Cardiology“, which will take place on December 12–13, 2025, at the Amphitheater of the Institute of Cardiovascular Diseases of Vojvodina.

This year's Symposium will focus on structural heart diseases and current guidelines, as well as on modern approaches to revascularization in NSTEMI and multivessel coronary artery disease. Special attention will be given to the treatment of complex calcified lesions and two-stent PCI techniques, DCB strategies, management of cardiogenic shock, and a session in which young interventional cardiologists will present how they successfully managed their challenging cases.

Through live procedure transmissions from the catheterization laboratory, discussions with domestic and international experts, and sessions dedicated to complex PCI procedures, participants will have the opportunity to follow state-of-the-art techniques and exchange experience. We warmly invite you to join the Symposium and contribute to its highest professional standards, for mutual benefit.

prof. dr Milovan Petrović

Mr sci. med. Dragan Debeljački

Doc. dr Tatjana Miljković

Organizatori
Institut za kardiovaskularne bolesti Vojvodine,
Sremska Kamenica
Medicinski Fakultet, Novi Sad

Simpozijum „9th Meet the Future of Serbian Interventional Cardiology – Deveti simpozijum mladih interventnih kardiologa Srbije“ akreditovan je kao nacionalni kongres sa međunarodnim učešćem, odlukom Zdravstvenog saveta Srbije broj: 153-02-00443 /2025-01, 2025. godine, pod evidencionim brojem A-1-1904/25 i nosi 13 bodova za predavače i 8 bodova za slušaoce.

Mesto i vreme održavanja: Institut za kardiovaskularne bolesti Vojvodine, Sremska Kamenica, 12. i 13. decembar 2025. godine.

Organizers
Institute for Cardiovascular Diseases of Vojvodina,
Sremska Kamenica
Faculty of Medicine, Novi Sad

The “9th Meet the Future of Serbian Interventional Cardiology” Symposium is accredited as a national congress with international participation by the decision of the Health Council of Serbia, number 153-02-00443 /2025-01 from under the registration number A-1-1904/25 and carries 13 points for lecturers and 8 points for listeners.

Venue: Institute of Cardiovascular Diseases, Vojvodina -
